RULE 3.4 ASSIGNMENT OF ACTIONS AND PROCEEDINGS

D. The District is divided into five Divisions: the Fort Pierce Division (Highlands, Indian River, Martin, Okeechobee and St. Lucie Counties); the West Palm Beach Division (Palm Beach County); the Fort Lauderdale Division (Broward County); the Miami Division (Miami-Dade County); and the Key West Division (Monroe County). Each Judge in the district is assigned to either the Northern Division (Palm Beach, Highlands, Indian River, Martin, Okeechobee, St. Lucie and Broward Counties) or the Southern Division (Dade and Monroe Counties). Cases are assigned by the Automated Case Assignment System to provide for blind, random assignment of cases and; to equitably distribute the District's case load, and to minimize the need for Judges to travel between divisions. Each Judge in the District has chambers in one of three Divisions (Miami, Fort Lauderdale or West Palm Beach). A Judge with chambers in one Division may be assigned a case with venue in another Division. Once the case has been assigned, all papers required to be served on a party shall be filed with the clerk where the assigned Judge is chambered (even if different from the Division in which venue is located) pursuant to Local General Rule 5.1.B.

Comments

RULE 5.1 FILING AND COPIES

A. Form. All civil and criminal pleadings, motions, and other papers tendered for filing shall:

4. Include a caption with:

(a) The name of the court ~~including division~~, centered across the page;

Comments

(2000) Amendment to subpart 4(a) dispenses with the need for reference to the Division of the Court to avoid confusion resulting from the requirement to file papers, in accordance with Local General Rule 5.1.B, in the Division where the assigned Judge is chambered, which is different from the Division in which the case is venued. A corresponding change is made to the sample form following the rule.

RULE 5.4 FILINGS UNDER SEAL; DISPOSAL OF SEALED MATERIALS.

A. General Policy. Unless otherwise provided by law, Court rule or Court order, proceedings in the United States District Court are public and Court filings are matters of public record. Where not so provided, a party seeking to file matters under seal shall follow the procedures prescribed by this rule.

B. Procedure for filings under seal. A party seeking to make a filing under seal shall:

1. Deliver to the Clerk's Office two copies of the proposed filing, each contained in a separate plain envelope, with the case number and style of the action noted on the outside of each envelope. The Clerk's Office shall note on each envelope the date of filing and docket entry number.

2. File a motion to seal, setting forth a reasonable basis for departing from the general policy of a public filing, and generally describing the matter contained in the envelope. The motion shall state the period of time that the party seeks to have the matter maintained under seal by the Clerk's Office. Unless permanent sealing is sought, the motion shall contain a date on which the matter can be unsealed or destroyed by the Clerk. Absent extraordinary circumstances, no matter sealed pursuant to this rule may remain sealed for longer than five (5) years from the date of filing.

3. Complete and file a "Sealed Filing Cover Sheet" in the form set forth at the end of this rule. The form is available at the Clerk's Office.

C. Court Ruling. If the Court grants the motion to seal, the Clerk's Office shall maintain the matter under secure conditions until the date specified in the Court order. If the Court denies the motion to seal, both copies of the filing and the motion to seal shall be returned to the party.

D. Disposition of Sealed Matter. Unless the Court's sealing order permits the matter to remain sealed permanently, the Clerk will dispose of the sealed matter upon expiration of the time specified in the Court's sealing order by unsealing, destroying, or returning the matter to the filing party.

Comment

(2000) The rule codifies existing procedure. By its terms, this rule does not apply to materials covered by specific statutes, rules or court orders authorizing, prescribing or requiring secrecy. However, the Clerk's Office and litigants may find it helpful to complete a "Sealed

1 Filing Cover Sheet" in the form set forth at the end of this rule for materials being filed under seal
2 after the entry of, and pursuant to, a protective order governing the use and disclosure of
3 confidential information.

RULE 7.1 MOTIONS, GENERAL

A. Filing.

* * * * *

3. Pre-filing conferences required of counsel

Motions for extensions of time and continuances shall include a representation by the movant's counsel that counsel has made a good faith effort to contact opposing counsel and shall state whether there is any objection to the motion.

(a) Prior to filing any motion in a civil case, except a motion for injunctive relief, for judgment on the pleadings, for summary judgment, to dismiss or to permit maintenance of a class action, to dismiss for failure to state a claim upon which relief can be granted, to involuntarily dismiss an action, or any motion relating to discovery, counsel for the moving party shall confer (orally or in writing), or make reasonable effort to confer (orally or in writing), with counsel for the opposing party in a good faith effort to resolve by agreement the issues to be raised in the motion, and counsel for the opposing party shall cooperate with such efforts to confer and be obligated to act in good faith in attempting to resolve the matters at issue. At the time of filing the motion, counsel for the moving party shall file with the Clerk a statement certifying either: (a) that counsel have conferred in a good faith effort to resolve the issues raised in the motion and have been unable to do so; or (b) that counsel for the moving party has made reasonable effort (which shall be identified with specificity in the statement) to confer with the opposing party but has been unable to do so. Failure to comply with the requirements of this rule may be cause for the court to grant or deny the motion and impose on counsel an appropriate sanction, which may include an order to pay the amount of the reasonable expenses incurred because of the violation, including a reasonable attorney's fee.

(b) The pre-filing conferences required of counsel on discovery motions are governed by Local Rule 26.1.I.

Comments

(2000) The addition of subsection 7.1.A.3.(a) is intended to eliminate unnecessary motions and is based on M.D. Fla. Local Rule 3.01(g) and S.D. Fla. Local General Rule 26.1.I. Subsection 7.1.A.3.(b) is intended merely to direct counsel to the pre-filing conference requirements of Local Rule 26.1.I for discovery motions.

RULE 16.3 CALENDAR CONFLICTS

A. Priorities. In resolving calendar conflicts between the federal courts or between this Court and the courts of the State of Florida, the following case priorities must be considered:

- 1. Criminal cases should prevail over civil cases.
- 2. Jury trials should prevail over non-jury trials.
- 3. Appellate arguments, hearings, and conferences should prevail over trial court proceedings.
- 4. The case in which the trial date has been first set by written order should take precedence.

B. Additional Circumstances. Factors such as cost, numbers of witnesses and attorneys involved, travel, length of trial, age of case, and other relevant matters may warrant deviation from these case priorities.

C. Notice and Agreement; Resolution by Judges. When an attorney is scheduled to appear in two courts at the same time and cannot arrange for other counsel to represent the clients' interests, the attorney shall give prompt written notice of the conflict to opposing counsel, the clerk of each court, and the presiding judge of each case, if known. If the presiding judge of the case cannot be identified, written notice of the conflict shall be given to the chief judge of the court having jurisdiction over the case, or to the chief judge's designee. The judges or their designees shall confer and undertake to avoid the conflict by agreement among themselves. Absent agreement, conflicts should be promptly resolved by the judges or their designees in accordance with the above case priorities.

1 A. Appeal Bonds: A supersedeas bond staying execution of a money judgment shall
2 be in the amount of 110% of the judgment, to provide security for interest, costs, and any award
3 of damages for delay. Upon its own motion or upon application of a party the court may direct
4 otherwise.

5
6 B. Extension of Automatic Stay When Notice of Appeal Filed. If within the ten
7 (10) day period established by Fed.R.Civ.P. 62(a), a party files any of the motions contemplated
8 in Fed.R.Civ.P. 62(b), or a notice of appeal, then unless otherwise ordered by the Court, a further
9 stay shall exist for a period not to exceed thirty (30) days from the entry of the judgment or order.
10 The purpose of this additional stay is to permit the filing of a supersedeas bond, which shall be
11 filed by the end of the thirty (30) day period provided herein.

12
13 **Comments**

14
15 (2000) Added to eliminate the necessity for court approval of supersedeas bonds in every
16 case in which a money judgment has been entered by fixing a standard amount, and to specify
17 the time by which the bond must be filed in order to stay execution. Extension of the automatic
18 stay is modeled after W.D. Okla. Local Rule 62.1, N.D. Okla. Local Rule 62.1 and E.D.N.C.
